

A Guide for New Members 2010

The Junior League of Honolulu, Inc., founded in 1923, is an organization of women committed to promoting voluntarism, developing the potential of women, and to improving communities through the effective action and leadership of trained volunteers.

The Junior League of Honolulu reaches out to all women age 18 and older regardless of race, color, religion, sexual orientation, disability status, or national origin who possess an interest in and a commitment to voluntarism.

Our Purpose: Effective community service calls for leadership, advocacy, technical assistance, and grantsmanship, as well as the formation of coalitions with other volunteer organizations and community agencies. In order to accomplish this we:

- Develop trained leaders equipped to respond creatively to society's challenges.
- Design, administer and sometimes originate innovative programs that often become integral and lasting components of our community.
- Assess and build public awareness of critical community needs.
- Contribute valuable and significant volunteer hours toward the improvement of the community.
- Raise money by means of annual fundraisers and return those monies to the community through funded projects and the Community Assistance Fund, which gives out grants to non-profits.

Our Vision: Enhancing the well-being and future of Honolulu's families through the dedicated action of volunteers.

Benefits of Joining The Junior League of Honolulu

Get Practical and Hands-on Training

Under our system of governance, all committee positions turn over annually, which creates a constant stream of training opportunities for members. You will have the chance to explore different projects, internal administrative roles, fundraising opportunities, leadership opportunities, service on the board of directors and more. A large number of League members also become leaders in other non-profits in the Honolulu region.

Get to Know Our Local Community and Work with Various Non-Profits

Our collaborative projects are funded with volunteers and financing for periods from one day to several years, and our community programs are evaluated continually, so you have the opportunity to work with different non-profits in our community to meet a current unmet need. JLH offers a variety of ways for volunteers to improve our community, so you can find a program that specifically appeals to you!

Belong to an International Network of Passionate Volunteers

JLH is part of something even bigger! We are a member of the Association of Junior Leagues International, Inc (www.ajli.org), an organization of over 170,000 members in 293 Leagues, located in the United States, Canada, Mexico, and the United Kingdom.

Make Lifelong Friendships with Like-Minded Women

JLH is a community of women. You will meet many interesting and smart women committed to making a difference in our community.
